- working to ensure equal opportunities within the communications industry
- encouraging professional development
- recognizing the achievements of outstanding women communicators
- setting and maintaining high standards for the industry and the professional communicator

## *Julie Lekstrom Himes*

School's out for summer, and the next months will have that wonderfully *plein air* feel. Join **BWC** on the 29<sup>th</sup> to feel *celebratory* with our delightful members and colleagues.

On **Thursday, June 29<sup>th</sup>**, we'll switch out our dinner and discussion format for a casual reception and author's talk. We'll open at **5:30 p.m.** so our in-town workers can enjoy our full program and not miss trains and ferries.

Come meet, get publishing tips from, and be inspired by author **Julie Lekstrom Himes** of Marblehead. Julie balances being a wife and mother of three, a physician and a researcher with creating short stories that have been widely published. Her latest work is her well-reviewed debut novel, *Mikhail and Margarita*, (Europa Editions.)

She pulled off that feat by cobbling time early mornings, weekends, and whenever she had a spare moment. Ah, we women can recognize that schedule! Check this website: [Mikhail-Margarita-Novel-Julie-Himes](#)

Nice review blurbs: "A book about authoritarian crackdown on speech and satire that is sadly timely today." —Flavorwire. "Himes's confident, carefully crafted debut novel...adeptly details brutality and betrayal as well as creativity and the uncertainties of censorship..." Publishers Weekly, starred review. "This richly imagined retelling of [Bulgakov's] lean years which gave rise to his phantasmagoric novel *The Master and Margarita*"—mixes fact and fiction to create a narrative that is both foreign and familiar." —The New Yorker.
